Tyndale Christian School - Murray Bridge
Uniform Guide

Principal's Message

Tyndale Christian School has a proud history of fostering an inclusive and welcoming culture for all students and our approach to the school uniform is no different. School uniform plays an important role in creating equity amongst students, teaching students about the importance of personal presentation and displaying respect for the school community they are a part of. The school is committed to providing a uniform that is modern, flexible and meets the needs of students as they engage in collaborative learning and play.

We ask for the support of our whole school community to uphold the expectations of wearing the school uniform well. The school is committed to working proactively with families to support them where accessing and wearing the uniform might be a challenge. Please do not hesitate to contact your child's pastoral care teacher if required.

Principal

Key Uniform Requirements

Formal and PE Uniform: The PE uniform must only be worn on days when students have a timetabled PE lesson. On all other days formal uniform must be worn. Only official garments purchased through the uniform shop are to be worn. Undergarments can be worn for additional warmth but must not be visible.

Seasonal Changes in Uniform: The formal uniform has been designed such that garments can be worn throughout the year based on what each student feels comfortable wearing. The school does not have seasonal change-over periods for uniform items. Students are not to mix and match formal and PE uniform items.

Accessories: Accessories such as hair ties, scarves, gloves, beanies and/or cultural dress items can be worn but must be unadorned and in a single school colour.

Hats: Tyndale Christian School is an accredited SunSmart School. Hats must be worn by all students when outside in Terms 1, 2 and 4. The school requires each student to have a hat available at all times. Sunscreen is made available in each classroom for students to apply as required.
