# 2026 Fee Schedule

# 2026 Fee Schedule

At Tyndale Christian School, we are aware of the competing forces in society which impact the family budget. Hence, as William Tyndale was determined that everyone should have access to the Bible in their own language, Tyndale is determined to provide high quality Christian education at affordable and inclusive rates.

## Tuition Fees

Fees differ according to the year level of the student and include the following:

- All Curricular Resources and Materials
- Compulsory Excursions and Camps
- Laptop (Year 4 to Year 12)
- Swimming lessons (for appropriate year levels)
- Classroom Stationery and Textbooks

Please note activities which are not compulsory are charged in addition to the tuition fee e.g. TAFE/VET course fees, instrumental lessons, instrument hire, bus fees and uniform items.

The School considers the legal commitment for fees to rest jointly and severally with the parents specifically named in the 'Enrolment – Contract', unless the School has been notified in writing on the 'Change in Family Arrangements' form. If parents arrange for a third party to pay the fees, it is the parents' responsibility to ensure payment occurs.

## Early Learning Centre Fees

The School operates a Long Day Care for children aged between three and five years old. As an approved centre, you are eligible to claim a rebate under the Child Care Subsidy (CCS) and this is paid directly to the Centre to reduce your fees. Please refer to the Services Australia Child Care Subsidy website for further information.

## Sibling Discounts

A discount is provided to families with multiple children at the School who appear on the same debtor account. This discount is only available where a demonstrated clear relationship exists e.g. maternal and/or paternal siblings and stepchildren.

## Early Payment Discount

If the full annual fee (and any outstanding monies) is paid by the due date for Term 1 (13 February 2026), a 4.0% discount on the total tuition fee is available. Advance payments can be accepted at any time.

## School Card Applications

The School offers 50% discount off the Tuition Fee for debtors who are assessed as eligible for School Card. The application form is available from the Department for Education (South Australia) School Card website in January and can be completed online. If your application is deemed "Not Eligible", full fees will be charged for the full year. If you transfer to Tyndale after the commencement of the School year, please submit a copy of your eligibility notice to the Finance Office and your account will be adjusted.

## Low Income Health Care Card Discount

Families who are not eligible for the School Card discount may apply for a Low Income Health Care Card discount. A 30% tuition fee discount may be applied upon presentation of a current Low Income Health Care Card with an expiry date beyond 28 February of the current school year. The card must be in the name of the parent(s) and must list the names of the children attending the School.

## Payment of Fees

Once annual tuition fees have been issued, payments may be made at any time through the secure payment link provided in the email from ezyCollect. Alternatively, families may choose to establish a payment plan within ezyCollect to spread payments across the year.

Additional optional charges (including casual bus use) will be invoiced as they arise and are payable within twenty one (21) days of the invoice date. These charges are not automatically included in any existing payment plan.

## Non-Payment of Fees and Financial Difficulties

In cases where financial difficulties arise, please make an appointment with the School to discuss the matter as soon as possible. Communication on these matters is of prime importance and will be treated confidentially. Please refer to the 'Enrolment – Contract' for the School's practice if there are unpaid fees and an approved extension/ instalment plan is not in place.

In the event of an account being overdue, students will not be able to incur additional costs by participating in extra-curricular activities as determined by the Principal and Director of Finance.

## Lost or Unreturned Books, Damage to Property

Any laptops, books, calculators or other School property that is lost, damaged or not returned by the due date will be invoiced for the replacement cost of that item.

## Withdrawing Students

Five school weeks (excluding school holidays) must be provided to the School when a parent wishes to cancel a student's enrolment. Where the full notice period is not provided, prorated fees will be payable in lieu of notice.

## Requirements for New Families Enrolment Fee

A $100 enrolment fee (non-refundable) for all new enrolments is payable when a place is offered and accepted. If you choose to withdraw your child from the School prior to commencement, this fee will be forfeited.

## Prior to Commencement

In recognition of new families to the School not having an established credit history, new families to the School must either:

1. pay a term's fees in advance; or
2. enter into a scheduled payment plan via ezyCollect and pay the equivalent of 2 instalments before commencement.
