

Class of 2020

Academic Achievements

Congratulations to the Tyndale Christian School – Salisbury East Year 12 Class of 2020.

We are delighted to share with the wider Tyndalian community the learning achievements of the Class of 2020.

At Tyndale Christian School we seek “To be a Christian community that fosters innovation and excellence in its programmes for the academic, vocational and physical development of students; nurtures spiritual and emotional growth and prepares students to move into life beyond the School, confident and competent in their chosen field, and with an understanding of their spiritual and social responsibilities to the local, national and international communities to which they belong.”

Congratulations again to all students in the Class of 2020 and to our staff for who amidst the challenges of the COVID pandemic provided ongoing care and dedication to equip every student to achieve their pathway for life beyond school.
