

21 July 2020

Dear Junior School Parents/Guardians

Welcome to Term 3!

This email is to provide Junior School-specific information about online learning during the seven-day lockdown. Please read this in conjunction with Mr Mike Potter's video message - [https://www.youtube.com/watch?v=\\_zqZlu0n8to](https://www.youtube.com/watch?v=_zqZlu0n8to).

Our priority as always is to provide excellence in learning for our students, and we will continue to do this as best we can with the time and resources available to us during this seven-day lockdown knowing each learning at home environment is unique.

Over the next 24 hours you will hear from your child/ren's class teacher regarding how they intend to communicate and provide work for your child throughout this lockdown. Each year level and home environment provide unique challenges in how we can best facilitate an online learning environment. With that in mind, each teacher will be communicating a broad range of resources which enable both online and offline learning for your child.

Additionally, each teacher will be communicating recommendations on how to get the most out of this home learning opportunity. While continuing with their structured learning is important, there are also continuing experiences for your children to learn through play, family exercise and household tasks.

I wish you and your family every blessing as you navigate this difficult week. If you or your child require counselling or Family Services support at this time from our Tyndale Wellbeing Team, please click this link <https://se.tyndale.sa.edu.au/wellbeing/>, alternatively, you can phone 8282 5160 to make an appointment.

Please have no hesitation in contacting me if you have questions or concerns.

Blessings

Shane Hosking  
Principal – Junior School
