

27 July 2021

Dear Parent/Guardian

Well done on making it through the lockdown and successfully navigating learning at home over the last week. I know that, like our staff, you and your children will be keen to return to school tomorrow – Wednesday 28 July 2021. We are looking forward to welcoming your children back to school.

As we have done throughout the pandemic, we are required to follow the directives of SA Health and the State Government and therefore the return to school tomorrow will come with some restrictions and changes you will need to consider.

- Parents will be unable to come onsite, unless they have a scheduled meeting. Please utilise the kiss-n-ride areas and use carparks for set down and pickup only.
- Staff will be available to help you; specifically at the Reception – Year 1 gate for parents dropping their children off to that area.
- If parents are attending for scheduled meetings, face masks will need to be worn and you will be required to sign in on both the school and COVID Safe app.
- All staff will be required to wear face masks while indoors, including the classroom when not engaged in direct teaching.
- Only students in Year 8 or higher will be required to wear a face mask.
- Service providers, instrumental and pre-service teachers will be back adhering to the same requirements as all staff.
- Sport trainings may be reinstated this week but competitions are not to resume until further notice. Please keep an eye out for communication from the Sport Department via Team App.
- There will be continuing support for students in quarantine until their mandatory isolation ends
- As a result of the current circumstances, chapel/assemblies, excursions and other events may be postponed, rescheduled or cancelled. Please refer to the school calendar for updates.

I trust this sheds some light on the impact for the Junior School tomorrow. Please also keep an eye out for a video update from Mr Mike Potter who will also be sharing some of the broader considerations for us at Salisbury East. If you have any questions or concerns, please have no hesitation in contacting myself or a member of the Junior School leadership.

Blessings

Shane Hosking
