The Rite Journey

Our Middle School staff are passionate about working with our young people to help them develop the necessary skills to aid them in navigating the complexities of the adult world. More than ever, we see our young people bombarded with a range of conflicting messages through the media, social networks, and peers. Their sphere of influence is ever-increasing and understanding how to navigate this can be challenging for both teens and parents.

The Rite Journey is a unique educational programme designed to support the development of self-aware, responsible, and resilient adults. Every Year 9 student at Tyndale Christian School takes part in the year-long programme as a core part of their Year 9 experience.

The Rite Journey compliments Tyndale's mission to raise young men and women who are secure in the knowledge of who they are, of who they have been created to be and of how they can serve their communities as flourishing adults. Our staff seek to partner with families in helping our students navigate these complexities as they journey towards becoming the adults that God has created them to be.

Combining our Christian Living and Health lessons, students are led by their Rite Journey teacher in small, gender-based groups. Students take part in class activities, discussions, challenges, a mentoring program, and the Year 9 camp; each experience designed to equip and empower students to be confident, resilient, purpose-driven young men and women.

To find out more about The Rite Journey Programme contact Georgina Evans on 8282 5161 or via email GeorginaEvans@tyndale.sa.edu.au.

Additional Benefits

Musical

Young people are an exciting package full of potential, joy, unpredictable energy, and passion. Theatre provides a safe and creative space for students to engage in a medium that is stimulating and challenging, demands commitment, resilience, passion, and a heart to sing and soar in a make-believe world.

Our decision to stay committed to our core values as a school creates an environment where community is formed that celebrates, supports, and encourages. The musicals are directed in an inclusive format providing all our students with the opportunity to excel and aspire to reach their highest potential.

The Middle School Musicals at Tyndale provide quality Performing Arts tuition in a supportive environment through vibrant productions. Over 20 years Tyndale has brought such characters as Oliver, Annie, Bugsy Malone, Aladdin, Alice, Mulan, Peter Pan, Mary Poppins and Shrek to the stage and seen hundreds of amazing performances from our Middle School students.

Each year the door is thrown open for students to audition in an ensemble-based format that allows each young person to showcase their skills and passions. Our cast and crew number over 100 students each, with Senior School mentors and parent volunteers supporting our teams.

Under the expert eye of our Creative Directors, students are cast woven together to provide opportunity for growth. Our Creative Directors are passionate staff, with the team headed up by a director with over 25 years' experience in professional theatre.

Tyndale's theatre facilities include a 650-seat theatre space with extensive stage and backstage facilities and a 200-seat Mask Theatre for more intimate musical and theatrical events.

To find out more about our Musical Programme please contact our Musical Producer - Dani Potter on 8282 5120 or via email DaniPotter@tyndale.sa.edu.au
