Our Uniform

The Tyndale uniform is designed to be trans-seasonal, meaning one consistent uniform can be worn throughout the year - there is no separate summer or winter uniform.

Students have the flexibility to layer items from the uniform range to suit varying weather conditions and individual comfort.

We also offer a variety of fits and styles to cater to different body shapes and personal preferences. This includes options such as tailored or classic cuts in pants, shorts, and shirts - allowing students to feel comfortable and confident in what they wear.
