

# Our Brand Pillars

These are the values that define who we are as a school.

## **Intentionally Christian**

Committed to God's centrality in our community. Where the worth of every individual is recognised. And where the Gospel of Christ inspires us to love and serve.

## **Intentionally Inclusive**

Demonstrating God's heart for humanity through an open enrolment policy and affordable fees that allows access to quality education in a safe and loving environment.

## **Intentionally Excellent**

Helping our children to pursue academic excellence and innovation by providing them with a vibrant and challenging learning environment that enables them to aspire to their highest potential and honour God with their very best.

## **Community**

Our desire is for parents, staff and students to experience a strong sense of belonging that encourages them to be participants rather than spectators.

## **RISE**

Fostering Respect, Integrity, Service and Excellence in all areas of school life through a safe, secure and supportive environment for every child's journey as a Tyndalian.

## **Lifelong Learning**

Instilling a desire for knowledge that inspires our children to create an incredible future for themselves and those around them, leaving behind a legacy that continually rebuilds, restores and renews lives to the glory of God.

## **Pastoral Care**

Committed to caring for the spiritual, emotional, physical and academic needs of every student because each one of them is precious in God's sight.

## **Wellbeing**

Being intentional about providing health care and support to all students and their families — through registered nursing staff, social workers and counsellors — with the ultimate goal of helping individuals know their true identity in Christ. This is the heartbeat of who we are.
