# ENROLMENT INFORMATION

This Enrolment - Application requires a reasonable amount of information about the family and also about the student. Some have asked why the School requires so much information, and our answer is simple – the teachers and support staff at the School will care for and educate your child, in some cases for up to 15 years. During this time, children turn from being very dependent and vulnerable into young adults – ready to take their place as adults in society. We believe that every person is fearfully and wonderfully made by a just and holy God (Psalm 139: 13-14). Every person needs to be valued for who they are, and not what they can do.

To be able to perform our School Mission, it is important to us that we have all the information necessary to be able to give your child the best opportunity with what we can offer. The information you provide in this Enrolment - Application will help us to plan, not only for your own child, but also for all children at the School. It will also help us to clarify what we are able to offer.

## IMPORTANT NOTICE

This Enrolment - Application must be read in conjunction with the Enrolment - Important Information. This Enrolment - Application contains important information on the terms and conditions of enrolment.

Failure to accurately complete all sections of this Enrolment - Application may result in the School's inability to accommodate your child's individual needs and/or may affect your child's continued enrolment.
