

# Strategic Plan

These are our 9 key objectives to reach our goals.

## Christian Ethos

To be a Christian Learning Community that enables each person to grow in their understanding and relationship with God.

## Student Welfare

To provide a safe, secure and caring environment for all students. This focus is the outworking of being an Intentionally Inclusive School.

## Staffing

To attract quality staff who become excellent in their field and can bring God's heart into their work. To retain and develop personnel to become excellent leaders in their chosen field of expertise.

## Curriculum

To provide a robust, comprehensive, inclusive curriculum that responds to the challenges of meeting the educational needs of each child; is relevant to our digital world; is underpinned by a Biblical Christian World View; and provides pathway opportunities for students.

## Facilities & Infrastructure

To upgrade, maintain and develop the School's facilities and infrastructure to a high standard.

## Digital Communication & Learning

To use and develop ICT best practice in teaching and administration, to foster innovation and excellence in learning at Tyndale Christian School and beyond.

## Community

To provide a safe and caring environment which fosters and promotes student and family involvement in the Tyndale and wider communities.

## Sustainability

To strengthen the School economically through a strong reputation and image; healthy enrolments; sound business management; and reducing the School's environmental "footprint".

## Government & Industry Relations

To maintain and develop good relationships with government, industry bodies, and the business community.
