

Middle School

Additional Benefits

The Rite Journey

Our Middle School staff are passionate about working with our young people to help them develop the necessary skills to aid them in navigating the complexities of the adult world. More than ever, we see our young people bombarded with a range of conflicting messages through the media, social networks, and peers. Their sphere of influence is ever-increasing and understanding how to navigate this can be challenging for both teens and parents.

The Rite Journey is a unique educational programme designed to support the development of self-aware, responsible, and resilient adults. Every Year 9 student at Tyndale Christian School takes part in the year-long programme as a core part of their Year 9 experience. The Rite Journey compliments Tyndale's mission to raise young men and women who are secure in the knowledge of who they are, of who they have been created to be and of how they can serve their communities as flourishing adults. Our staff seek to partner with families in helping our students navigate these complexities as they journey towards becoming the adults that God has created them to be.

Through Health and Rite Journey lessons, students are led by their Rite Journey teacher in small, gender-based groups. Students take part in class activities, discussions, challenges, a mentoring program, and the Year 9 camp; each experience designed to equip and empower students to be confident, resilient, purpose-driven young men and women.

To find out more about The Rite Journey Programme, contact Rite Journey Teachers – Christina Lewis (ChristinaLewis@tyndale.sa.edu.au) or phone 8536 5400.
